

other personnel may not exceed the rate payable for level V of the Executive Schedule under section 5316 of that title.

(4) **DETAIL OF GOVERNMENT EMPLOYEES.**—A Federal Government employee may be detailed to the Commission without reimbursement, and such detail shall be without interruption or loss of civil service status or privilege.

(5) **PROCUREMENT OF TEMPORARY AND INTERMITTENT SERVICES.**—The Chairperson, in consultation with the Vice Chairperson of the Commission, may procure temporary and intermittent services under section 3109(b) of title 5, United States Code, at rates for individuals that do not exceed the daily equivalent of the annual rate of basic pay prescribed for level V of the Executive Schedule under section 5316 of that title.

(6) **SECURITY CLEARANCES.**—The appropriate departments or agencies of the United States shall cooperate with the Commission in expeditiously providing to the members and staff of the Commission appropriate security clearances to the extent possible pursuant to existing procedures and requirements.

(i) **TERMINATION OF COMMISSION.**—The Commission shall terminate 90 days after the date on which the Commission submits the report required under subsection (e)(2)(A)(ii).

(j) **AUTHORIZATION OF APPROPRIATIONS.**—

(1) **IN GENERAL.**—There is authorized to be appropriated to the Commission such amounts as necessary to carry out activities under this section.

(2) **AVAILABILITY.**—Any sums appropriated under the authorization contained in this section shall remain available, without fiscal year limitation, until the date of the termination of the Commission under subsection (i).

SA 4312. Ms. DUCKWORTH submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the appropriate place in title X, insert the following:

SEC. _____. NATIONAL SERVICE CORPS FOR MILITARY SPOUSES AND DEPENDENTS.

(a) **AMENDMENT TO NCSA.**—Part I of subtitle C of title I of the National and Community Service Act of 1990 (42 U.S.C. 12571 et seq.) is amended by adding at the end the following:

“SEC. 127. NATIONAL SERVICE CORPS FOR MILITARY SPOUSES AND DEPENDENTS.

“(a) **IN GENERAL.**—The Corporation shall enter into an interagency agreement under section 121(b) with the Secretary of Defense to carry out the program under this section, which shall be known as the ‘National Service Corps for Military Spouses and Dependents’ (referred to in this section as ‘the Corps’), and which shall be funded by the Department of Defense and carried out by the Corporation in accordance with the terms and conditions of this subtitle, unless otherwise specified.

“(b) **MEMBERSHIP.**—Notwithstanding section 137, the Corps shall be composed of—

“(1) military spouses; and

“(2) dependent children who are not younger than age 16 and not older than age 26.

“(c) **NUMBER OF PARTICIPANTS.**—The number of participants in the program under this section shall not exceed 1000.

“(d) **ACTIVITIES.**—The recipient of a grant supported under the interagency agreement described in subsection (a) shall use a portion of the financial assistance or positions involved, directly or through subgrants to other entities, to support or carry out activities to address community needs, as determined by the Corporation, which may include activities described in section 122, as full- or part-time programs.

“(e) **BENEFITS.**—

“(1) **IN GENERAL.**—Participants in the program under this section shall be eligible for the living allowance and other benefits described in section 140, except for the benefits described in subsections (d) and (e) of that section.

“(2) **HEALTH BENEFITS.**—The Corporation shall ensure that the interagency agreement described in subsection (a) establishes that the Secretary of Defense shall provide coverage under a health plan, as determined by the Secretary of Defense, for all participants in the program under this section who are not covered beneficiaries under the TRICARE program (as that term is defined in section 1072 of title 10, United States Code).

“(3) **EDUCATIONAL AWARD.**—Participants in the program under this section shall be eligible for a national service educational award.

“(f) **EARLY RELEASE FROM SERVICE FOR COMPELLING PERSONAL CIRCUMSTANCES.**—

“(1) **RELEASE.**—Notwithstanding any other provision of this Act, as determined by the Secretary of Defense, a Corps member may be released from completing a term of service in the approved national service position for compelling personal circumstances.

“(2) **AWARD.**—A Corps member who is released under paragraph (1) is eligible to receive a pro-rated national service educational award if—

“(A) the Corps member has completed at least 15 percent of the Corps member's term of service;

“(B) the Corps member, or a member of the Corps member's family, receives military orders, such as a permanent change of station (PCS), that necessitate the Corps member's relocation away from the Corps member's service site; and

“(C) the Corps member is unable to secure an appropriate reassignment as described in subsection (g).

“(g) **NECESSARY RELOCATION.**—A member of the Corps who must relocate due to a permanent change of station (PCS) or other military order shall, to the extent practicable, continue the member's term of service with the member's current assignment or by securing an appropriate reassignment. The Secretary of Defense shall support, to the extent practicable, such a relocating Corps member who wishes to continue the term of service.”.

(b) **DEPARTMENT OF DEFENSE.**—

(1) **IN GENERAL.**—The Secretary of Defense shall enter into an interagency agreement with the Corporation for National and Community Service as described in section 127 of the National and Community Service Act of 1990 (as added by subsection (a) of this section), and shall provide funding to the Corporation to carry out such section.

(2) **AUTHORIZATION OF APPROPRIATIONS.**—There are authorized to be appropriated to the Department of Defense, such sums as may be necessary to carry out paragraph (1), including such sums as may be necessary to provide a national service educational award for each participant under such section 127.

(c) **EFFECTIVE DATE.**—This section, and the amendments made by this section, shall take effect on the date that is 1 year after the date of enactment of this section.

SA 4313. Ms. DUCKWORTH (for herself, Mr. CASSIDY, and Mr. KENNEDY)

submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle E of title III, add the following:

SEC. 376. PROHIBITION ON HOUSING OF CHIMPANZEES AT INSTALLATIONS OF THE AIR FORCE.

(a) **IN GENERAL.**—On or after May 31, 2022, the Secretary of the Air Force may not house chimpanzees at any installation of the Department of the Air Force.

(b) **TRANSPORT OF CHIMPANZEES.**—

(1) **IN GENERAL.**—Any chimpanzees currently housed at an installation of the Department of the Air Force shall be transported to Chimp Haven in Louisiana, beginning not later than the date of the enactment of this Act.

(2) **COMPLETION OF TRANSPORT.**—All transport of chimpanzees required under paragraph (1) shall be completed by not later than May 31, 2022.

SA 4314. Ms. DUCKWORTH (for herself, Ms. ERNST, and Mrs. FISCHER) submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle B of title III, add the following:

SEC. 318. PILOT PROGRAM ON USE OF SUSTAINABLE AVIATION FUEL.

(a) **PILOT PROGRAM REQUIRED.**—

(1) **IN GENERAL.**—The Secretary of Defense shall conduct a pilot program on the use of sustainable aviation fuel by the Department of Defense.

(2) **DESIGN OF PROGRAM.**—The pilot program shall be designed to—

(A) identify any logistical challenges with respect to the use of sustainable aviation fuel by the Department;

(B) promote understanding of the technical and performance characteristics of sustainable aviation fuel when used in a military setting; and

(C) engage nearby commercial airports to explore opportunities and challenges to partner on increased use of sustainable aviation fuel.

(b) **SELECTION OF FACILITIES.**—

(1) **SELECTION.**—

(A) **IN GENERAL.**—Not later than one year after the date of the enactment of this Act, the Secretary of Defense shall select not fewer than two geographically diverse facilities of the Department at which to carry out the pilot program.

(B) **ONSITE REFINERY.**—Not fewer than one facility selected under subparagraph (A) shall be a facility with an onsite refinery that is located in proximity to not fewer than one major commercial airport that is

also actively seeking to increase the use of sustainable aviation fuel.

(2) NOTICE TO CONGRESS.—Upon the selection of each facility under paragraph (1), the Secretary shall submit to the appropriate committees of Congress notice of the selection, including an identification of the facility selected.

(c) USE OF SUSTAINABLE AVIATION FUEL.—

(1) PLANS.—For each facility selected under subsection (b), not later than one year after the selection of the facility, the Secretary shall—

(A) develop a plan on how to implement, by September 30, 2028, a target of exclusively using at the facility aviation fuel that is blended to contain not less than 10 percent sustainable aviation fuel;

(B) submit the plan developed under subparagraph (A) to the appropriate committees of Congress; and

(C) provide to the appropriate committees of Congress a briefing on such plan that includes, at a minimum—

(i) a description of any operational, infrastructure, or logistical requirements and recommendations for the blending and use of sustainable aviation fuel; and

(ii) a description of any stakeholder engagement in the development of the plan, including any consultations with nearby commercial airport owners or operators.

(2) IMPLEMENTATION OF PLANS.—For each facility selected under subsection (b), during the period beginning on a date that is not later than September 30, 2028, and for five years thereafter, the Secretary shall require, in accordance with the respective plan developed under paragraph (1), the exclusive use at the facility of aviation fuel that is blended to contain not less than 10 percent sustainable aviation fuel.

(d) CRITERIA FOR SUSTAINABLE AVIATION FUEL.—Sustainable aviation fuel used under the pilot program shall meet the following criteria:

(1) Such fuel shall be produced in the United States from domestic feedstock sources.

(2) Such fuel shall constitute drop-in fuel that meets all specifications and performance requirements of the Department of Defense and the Armed Forces.

(e) WAIVER.—The Secretary may waive the use of sustainable aviation fuel at a facility under the pilot program if the Secretary—

(1) determines such use is not feasible due to a lack of domestic availability of sustainable aviation fuel or a national security contingency; and

(2) submits to the congressional defense committees notice of such waiver and the reasons for such waiver.

(f) FINAL REPORT.—

(1) IN GENERAL.—At the conclusion of the pilot program, the Assistant Secretary of Defense for Energy, Installations, and Environment shall submit to the appropriate committees of Congress a final report on the pilot program.

(2) ELEMENTS.—The report required by paragraph (1) shall include each of the following:

(A) An assessment of the effect of using sustainable aviation fuel on the overall fuel costs of blended fuel.

(B) A description of any operational, infrastructure, or logistical requirements and recommendations for the blending and use of sustainable aviation fuel, with a focus on scaling up adoption of such fuel throughout the Armed Forces.

(C) Recommendations with respect to how military installations can leverage proximity to commercial airports and other jet fuel consumers to increase the rate of use of sustainable aviation fuel, for both military and non-military use, including potential

collaboration on innovative financing or purchasing and shared supply chain infrastructure.

(D) A description of the effects on performance and operation of aircraft using sustainable aviation fuel, including—

(i) if used, considerations of various blending ratios and their associated benefits;

(ii) efficiency and distance improvements of flights using sustainable aviation fuel;

(iii) weight savings on large transportation aircraft and other types of aircraft with using blended fuel with higher concentrations of sustainable aviation fuel;

(iv) maintenance benefits of using sustainable aviation fuel, including engine longevity;

(v) the effect of the use of sustainable aviation fuel on emissions and air quality;

(vi) the effect of the use of sustainable aviation fuel on the environment and on surrounding communities, including environmental justice factors that are created by the demand for and use of sustainable aviation fuel by the Department of Defense; and

(vii) benefits with respect to job creation in the sustainable aviation fuel production and supply chain.

(g) DEFINITIONS.—In this section:

(1) APPROPRIATE COMMITTEES OF CONGRESS.—The term “appropriate committees of Congress” means—

(A) the Committee on Armed Services and the Committee on Commerce, Science, and Transportation of the Senate; and

(B) the Committee on Armed Services and the Committee on Transportation and Infrastructure of the House of Representatives.

(2) SUSTAINABLE AVIATION FUEL DEFINED.—The term “sustainable aviation fuel” means liquid fuel that—

(A) consists of synthesized hydrocarbon;

(B) meets the requirements of—

(i) ASTM International Standard D7566 (or successor standard); or

(ii) the co-processing provisions of ASTM International Standard D1655, Annex A1 (or successor standard);

(C) is derived from biomass (as such term is defined in section 45K(c)(3) of the Internal Revenue Code of 1986), waste streams, renewable energy sources, or gaseous carbon oxides; and

(D) is not derived from palm fatty acid distillates.

SA 4315. Mr. SCHATZ submitted an amendment intended to be proposed to amendment SA 3867 submitted by Mr. REED and intended to be proposed to the bill H.R. 4350, to authorize appropriations for fiscal year 2022 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe military personnel strengths for such fiscal year, and for other purposes; which was ordered to lie on the table; as follows:

At the end of subtitle B of title III, add the following:

SEC. 318. REVISION OF ENERGY PROCUREMENT POLICIES OF DEPARTMENT OF DEFENSE TO PROCURE RESILIENT AND CLEAN ENERGY.

(a) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Secretary of Defense shall—

(1) revise the procurement policies of the Department of Defense that are not otherwise required by law to ensure that the military departments and Defense Agencies may only enter into a contract with a public utility service provider that has an option for the procurement of resilient electricity and clean electricity to power the installations

and facilities of the military department or Defense Agency concerned; and

(2) establish a procurement plan to reasonably and expeditiously transition all existing contracts of the military departments and Defense Agencies with public utility service providers to new contracts that meet the procurement policies described in paragraph (1).

(b) MILITARY DEPARTMENTS AND DEFENSE AGENCIES.—Consistent with the policies required to be revised under subsection (a)(1), the Secretary of each military department and the head of each Defense Agency shall revise the procurement policies, practices, training, and procedures for the military department or Defense Agency concerned that are not otherwise required by law to ensure that procurement officials of the military department or Defense Agency concerned may only acquire commercial energy services that have an option for the procurement of resilient electricity and clean electricity to power the installations and facilities of the military department or Defense Agency concerned.

(c) LIMITATION ON THE USE OF RENEWABLE ENERGY CREDITS AND CARBON OFFSETS.—

(1) RENEWABLE ENERGY CREDITS.—To the extent practicable, in carrying out subsections (a) and (b), the Secretary of each military department and the head of each Defense Agency shall avoid acquiring commercial energy services from a public utility provider that offers renewable energy credits that were sold separately from the renewable energy with which they are associated to satisfy the requirements of having a resilient electricity and clean electricity option.

(2) CARBON OFFSETS.—In meeting the procurement requirements under subsection (a)(1), the Secretary of Defense shall ensure that each military department and Defense Agency does not use carbon offsets.

(d) REPORT.—Not later than one year after the date of the enactment of this Act, and annually thereafter, the Secretary of Defense shall submit to the congressional defense committees a report—

(1) providing a progress report on the transition of existing public utility services contracts of the Department to meet the procurement policies required under subsection (a)(1);

(2) describing the procurement plan required under subsection (a)(2); and

(3) identifying any challenges to carrying out such procurement plan.

(e) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to require the Department of Defense to invest in capital projects for the purposes of generating electricity to power the installations and facilities of the military departments and Defense Agencies, including military installation resilience projects under section 2815 of title 10, United States Code, energy resilience and conservation construction projects under section 2914 of such title, or financing of third-party capital construction of energy projects under any other provision of law.

(f) DEFINITIONS.—In this section:

(1) CLEAN ELECTRICITY.—The term “clean electricity” means electricity generated from sources that result in access to electricity without the production of carbon emissions, including—

(A) renewable and nuclear energy; and

(B) traditional generation with carbon capture and storage.

(2) MILITARY INSTALLATION.—The term “military installation” means an installation of the Department of Defense under the jurisdiction of the Secretary of a military department that is located in a State, territory, or other possession of the United States.

(3) RESILIENT ELECTRICITY.—The term “resilient electricity” means uninterrupted and
